Sounds great!

I will shoot over an invite to everyone for 10 MST on Tuesday.

Is this the best address to come to?

I wont be here but everyone else will be. Can you be here and present to them in the afternoon. They all have a meeting at 4pm they will be attending so your presentation would have to be done by then.

Good Afternoon Chief,

Tuesday still works on my end! It sounds like you won't be there for it but will everyone else still be available? My schedule is wide open Tuesday, so whatever time works best I can make it happen.

Thanks,
Will

Thank you for the update Lisa!

How does Tuesday July 16th sound? I will come onsite for this to provide the demo and begin strategizing on potential locations. Let me know if the 16th works for you / morning or afternoon!

Will

Will we do not have budget dates set up for July so it will most likely be in August. I will get back with you once we have a timeframe. I would love to see your demo but I would prefer we set the week, next week is not good with it being short and a Holiday. Possibly later in July please.

Chief Hamblin,

I hope the week has gotten off to a good start for you. I'm reaching out to see if the plan is still to go before council in the July/August timeframe? I've included Kristen MacLeod who will be the point of contact helping throughout this process. She is a rockstar and will be looking to schedule some time with you all soon.

Would you be open for me to run a demo and a strategy session next week? We can walk through the dashboard, share how agencies are leveraging Flock today, and begin to strategize on potential deployment locations. Let me know what your availability looks like and I'd be happy to get that scheduled!

Talk soon,

Will
